

BACKSTAGE

ROCKCAFÉ

You want to perform in Backstage?

This is where you'll find the key facts about our sound gear and layout, riders and backstage perks!

If you are interested in performing here, please submit the following "request to perform" and we will review it as quickly as possible.

If Backstage accepts your request to perform and we mutually agree on a date, we will send you a gig contract.

If we cannot currently offer you a gig date, we store your information in our database for a future collaboration, either in Backstage or at another performance location that suits your act.

Time schedule

Backstage gigs are always on Saturdays and only in some exceptional cases on Fridays. Gigs on days other than Saturdays will only be considered if the band's media presence is exceptionally good and will draw an audience, or you are a solo artist who will play in return for passing round a hat, and not cause additional costs (food, hotel, equipment).

The time schedule **MUST BE COMPLIED WITH** and is non-negotiable (unless the set-up time of one hour is not sufficient: in these cases, an earlier GET-IN can be agreed):

4.00 pm GET-IN

5.00 pm Soundcheck

6.00 pm Supporting act soundcheck (if applicable)

6.30 pm FROM NOW ON, NO-ONE ON STAGE NOW UNTIL
STAGE TIME

6.45 pm Meal

7.00 pm Doors open

8.30 pm Supporting act starts (if applicable)

9.15 pm End of supporting act / reset stage

9.30 pm Stage time

11:30 pm End of show, break down set

Midnight GET-OUT

Payment of fee

Payment of the fee is in cash in exchange for a receipt and takes place after the gig.

The band is responsible for payment of the tax of 7% and notification to the Künstlerkasse, etc.

Stubs from sold tickets (numbers) and unsold tickets can be provided on request.

Booking

Booking of the gig is considered legally binding once the gig contract has been signed by both parties.

Upon agreement, the gig contract is sent to the band as a PDF per email

Miscellaneous

Backstage allows smoking. Bands should be aware of this. It is not possible to prohibit smoking during a gig. The bar has a good ventilation system, which is pleasant for both bands and guests.

konstanz-live.de reserves the right to stream the gig live without charge.

Photos and videos by konstanz-live.de are - with this knowledge - permitted by the band and may be published.

Due to logistical issues, the bar cannot accommodate grand pianos. The use of Hammond organs, etc., should also be well thought through - as the bar is on the 1st floor and there is no lift!

An arch provides access to the back courtyard. Maximum size of the vehicle is limited to the size of a high top sprinter.

A Nightliner tour bus cannot be parked close to the performance venue. There is protected parking with power supply 2 km from the venue. If we are informed in due time, a shuttle service can be organised.

PROMOTION

We try to present and promote bands and as best as possible before the gig. To do this we need good templates and video/audio materials. Please provide us with the following materials together with your application:

- Band logo as transparent template (vector), preferably as .png or .eps file
- Band photo, preferably .jpg or .png file
- Current recording to be played by our DJs
- Link to good videos or file to create inserts to be played in the bar and to create a teaser for social media.
- Press release

Bands are welcome to pick up printed materials from us and help with promotion.

It's great when our online promotion is shared and linked in social media.
